

SUDOKU 4 KIDS!

Sudoku is a popular Japanese number game. It is a mind game and puzzle that you solve with pure logic. The aim of the game is to fill each square with a number from 1 - 4. Each number can only appear once in the same row, column or 2 x 2 box.

HINT: There is no maths involved in finding a solution!

	2	3	4
3	4	1	
2	1	4	
	3	2	1

2	1	4	3
4			1
1			4
3	4	1	2

Hey Kids,

The countdown to Christmas is about to begin, so remember to write your letter's to Santa. Have you been naughty or nice? Only Santa and his Elves know the answer, Ho Ho Ho!

Merry Christmas!
